

Curs preliminar. Activitats orals

Unitat 3 Les parts del dia

*Què fas?*

Cal imprimir l'arxiu *Unitat 3 bis* (a l'hora de seleccionar les propietats de la impressió, seleccioneu "6 fulls en una pàgina"). Cal que hi hagi una carta per a cada alumne/a.

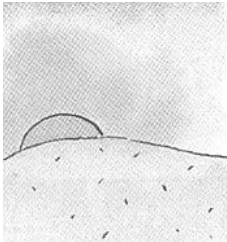

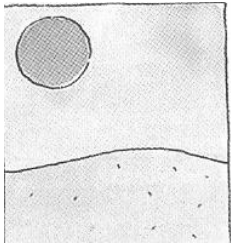

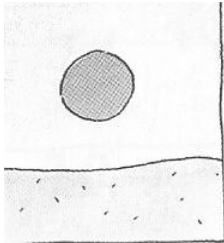

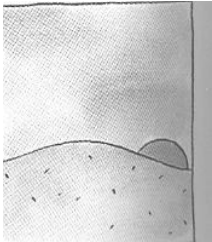

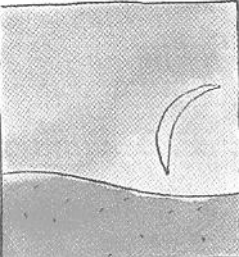

El professor repassa quin moment del dia representa cada carta. Explica que a la matinada i a la nit, dormim; que al matí, esmorzem; que al migdia, dinem; que a la tarda berenem i que al vespre sopem.

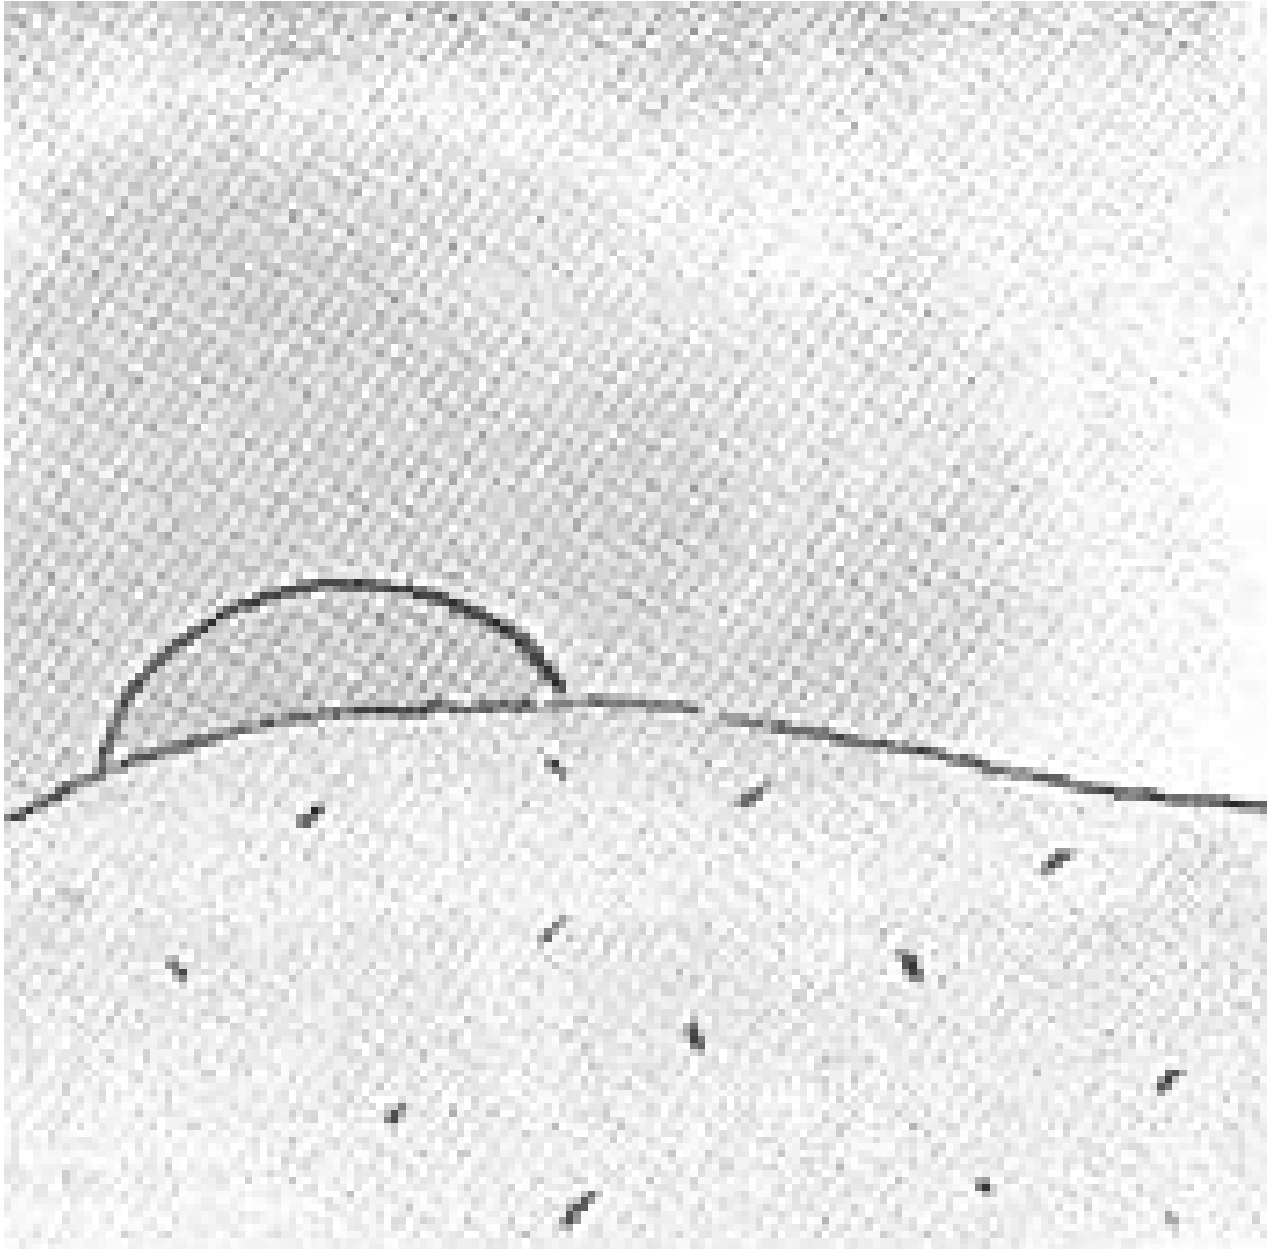

Practiqueu: jo dormo, jo esmorzo, jo dino, jo bereno, jo sopo.

El professor també té una carta; comença:

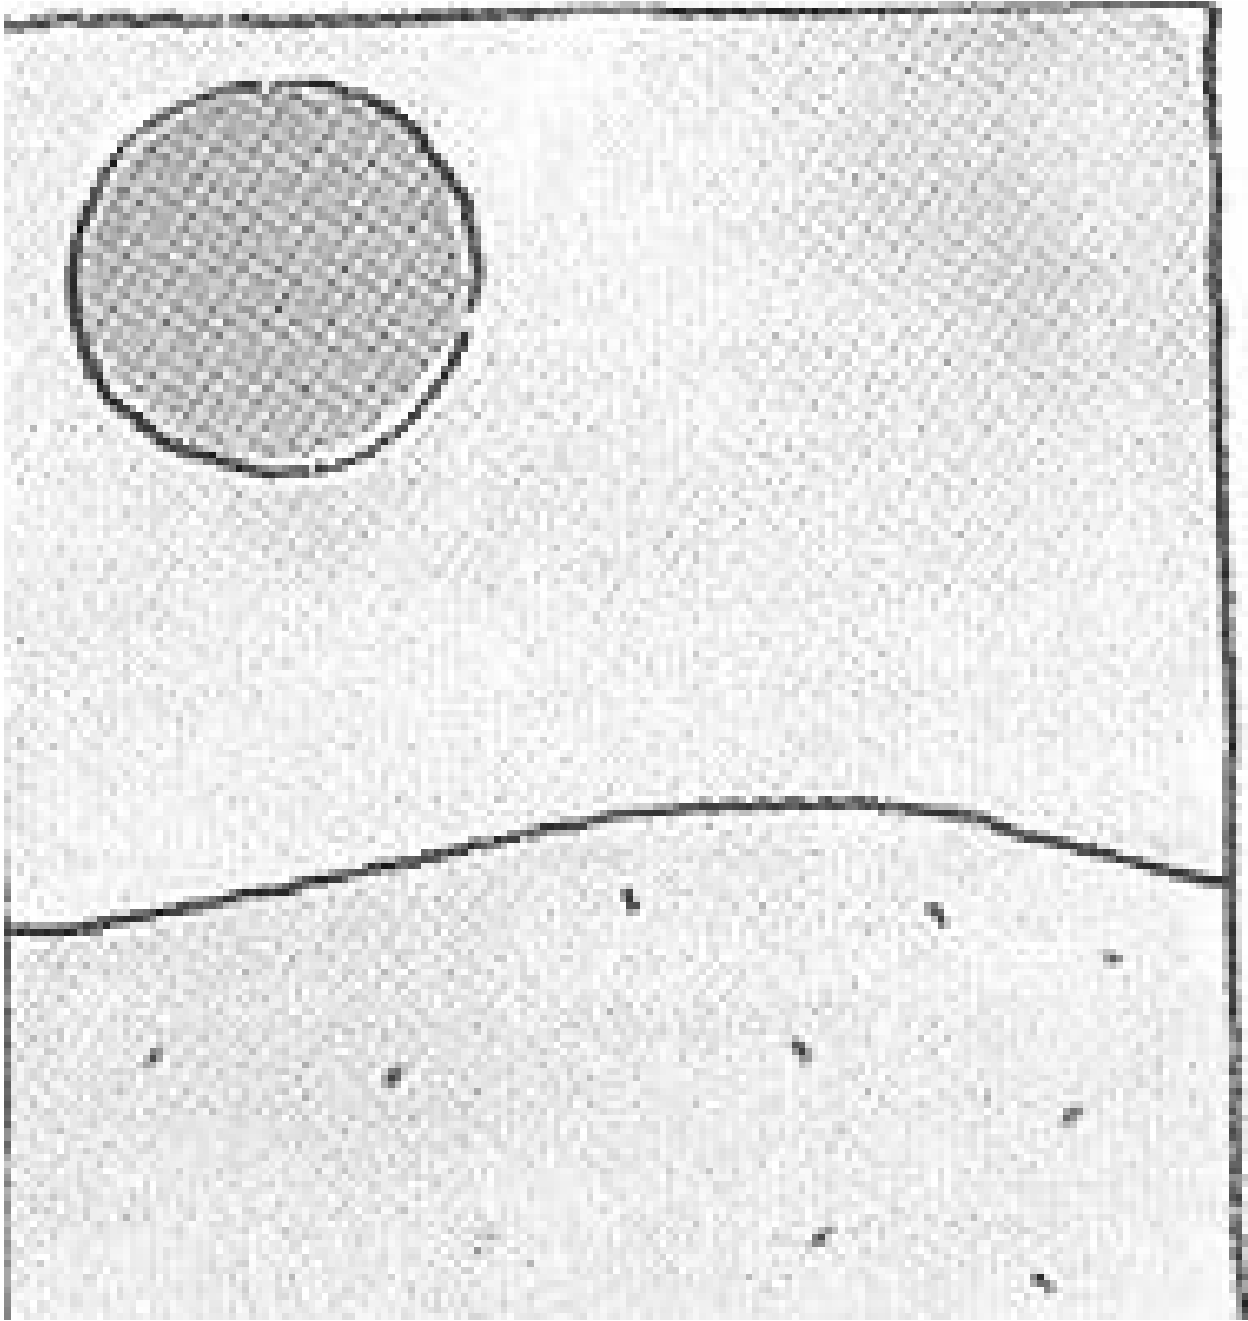

Jo tinc "la nit" A la nit, jo dormo!

Continuen els alumnes: diuen quina carta tenen i què fan en aquella part del dia.
