

# FOREIGN LANGUAGES CLASSROOM

## **You are welcome to this classroom, but ...**

- 1.- Behave properly. You are already a teenager and you are in a school
  - 2.- When coming in, go to your desk and sit down. Remember that the classroom is not a walking place. So, talk quietly and don't shout. Make sure that any sort of portable sound systems and mobile phones are off
  - 3.- Avoid going to the windows and leaning out of them
  - 4.- Keep the desks isolated, unless the teacher says the contrary
  - 5.- Don't write on your seats and desks. Don't scratch them. Take care when using your tipp-ex and your ball-point pens
  - 6.- Keep the classroom clean. No papers on the floor
  - 7.- Drinks, food (chewing gum), etc., aren't allowed in the classroom
  - 8.- Be respectful with the others' bags and ownerships
  - 9.- Don't ask the teacher's permission to go out or to go to the toilet. Emergencies are the exception
  - 10.- If your teacher doesn't arrive punctually, then one of you has to go to the teachers-on-duty office and let them know it
