

THE ARTIST'S PORT FOLIO

The Artist portfolio is a collection of student work that shows the student's efforts, progress and achievements in Art.

The Artist portfolio must include the following:

- **Portfolio's worksheets:** a self-assessment and evaluation of their personal progress.
- **Students' worksheets:** all the pupils work and their peer and self-assessment.
- **Extra information:** pupils' personal collection of extra information research (pictures, news, internet information, personal pictures, etc.)

The portfolio notebook has one self-assessment's progression for each unit of the project:

| STICKERS | UNIT | PORT FOLIO |
|---|-----------------|------------------|
|  | 1 ART GALLERY | I'M A DISCOVERER |
|  | 2 DOODLES | I CAN DRAW |
|  | 3 COLOUR FUN | I CAN COLOUR |
|  | 4 I'M AN ARTIST | AM I AN ARTIST? |

Pupils have to complete the portfolio's worksheets; there is one worksheet for each unit.

If pupils can do it, they obtain the unit **sticker**. They stick the sticker in the first page of the portfolio: "My progress".

Pupils have to add their worksheets following each page of the portfolio. All the pages related to the same unit have the same picture on the right up corner, and it is the same picture in the stickers.
