# APROFITAMENT DE LA RAMADERIA

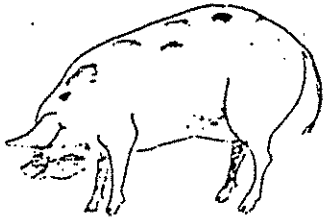

De la ramaderia se n'obtenen productes com ara la carn, la pell, els ous, la llet...

D'alguns animals també se n'aprofita la força: els cavalls, les mules, els bous...

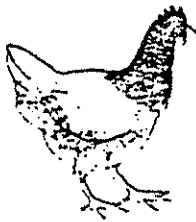

Què se n'obté?

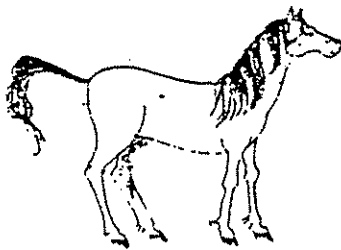

de la VACA — PELL: sabates, abrics, estores...  
— CARN  
— LLET: iogurt, nata, gelats...

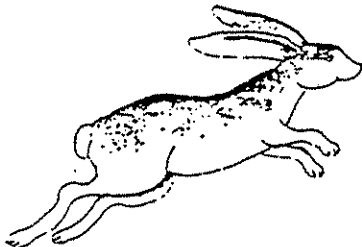

del PORC — PELL  
— CARN: embotits, pernil...

de la GALLINA — OUS: pastissos...  
— CARN  
— PLOMES

del CAVALL — CARN  
— FORÇA PER AL TREBALL  
— PELL

del CONILL — CARN  
— PELL: abrics, bosses...

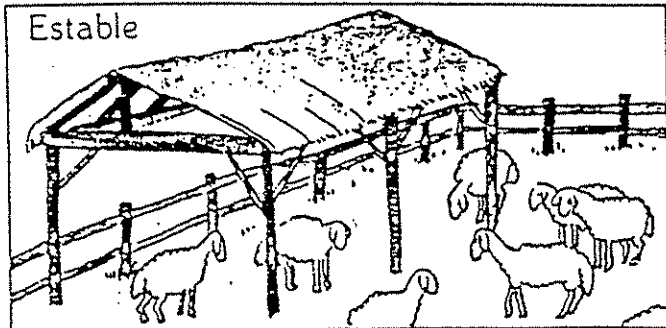

de l'OVELLA — CARN  
— LLANA: vestits, jerséis, mitjons...  
— LLET: formatges

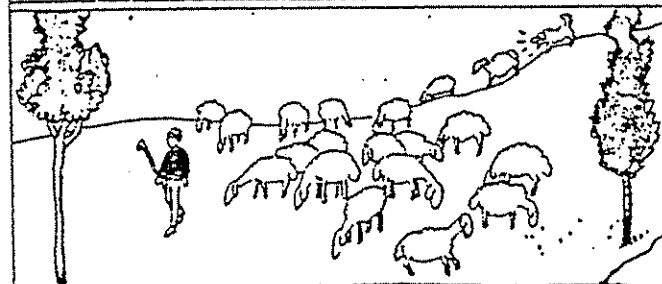

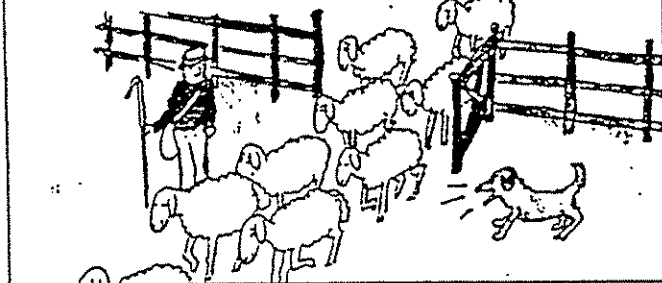

# EL TREBALL ALS RAMATS I A LES GRANGES

Cada tipus de bestiar necessita unes atencions determinades per a la seva cria. Les feines també són diferents segons es tracti d'animals de granja o de ramat. Vegem-ne dos exemples:

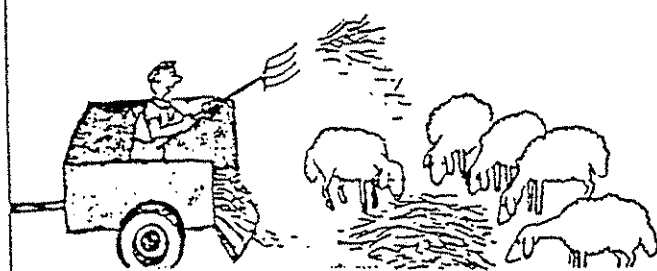

## RAMAT D'OVELLES

Surt el ramat

Ramat pasturant amb el gos d'atura

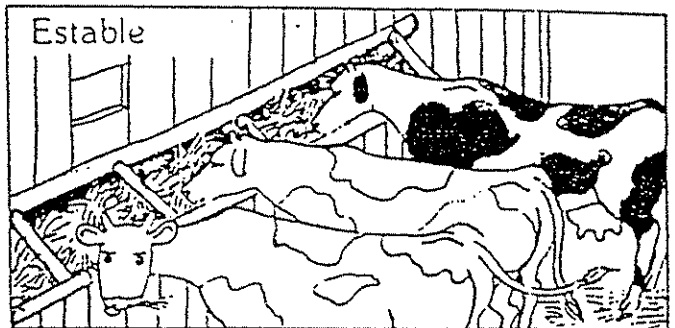

Farratges: alfals, civada... per menjar

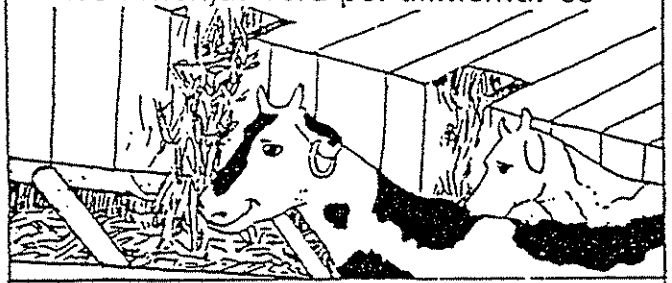

A la primavera s'esquilen les ovelles

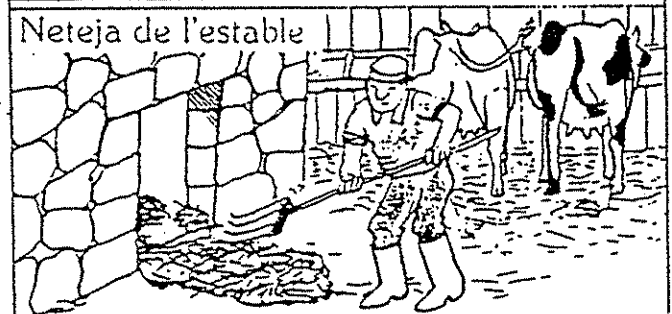

## GRANJA DE VAQUES

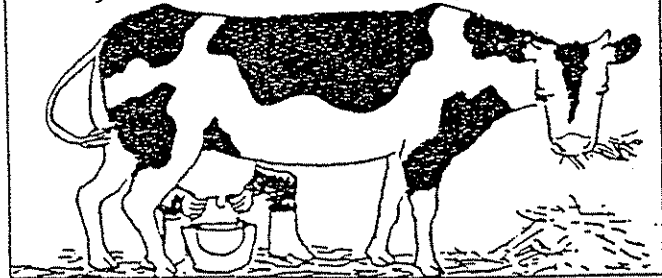

Pinso i menjar verd per alimentar-se

Neteja de l'estable

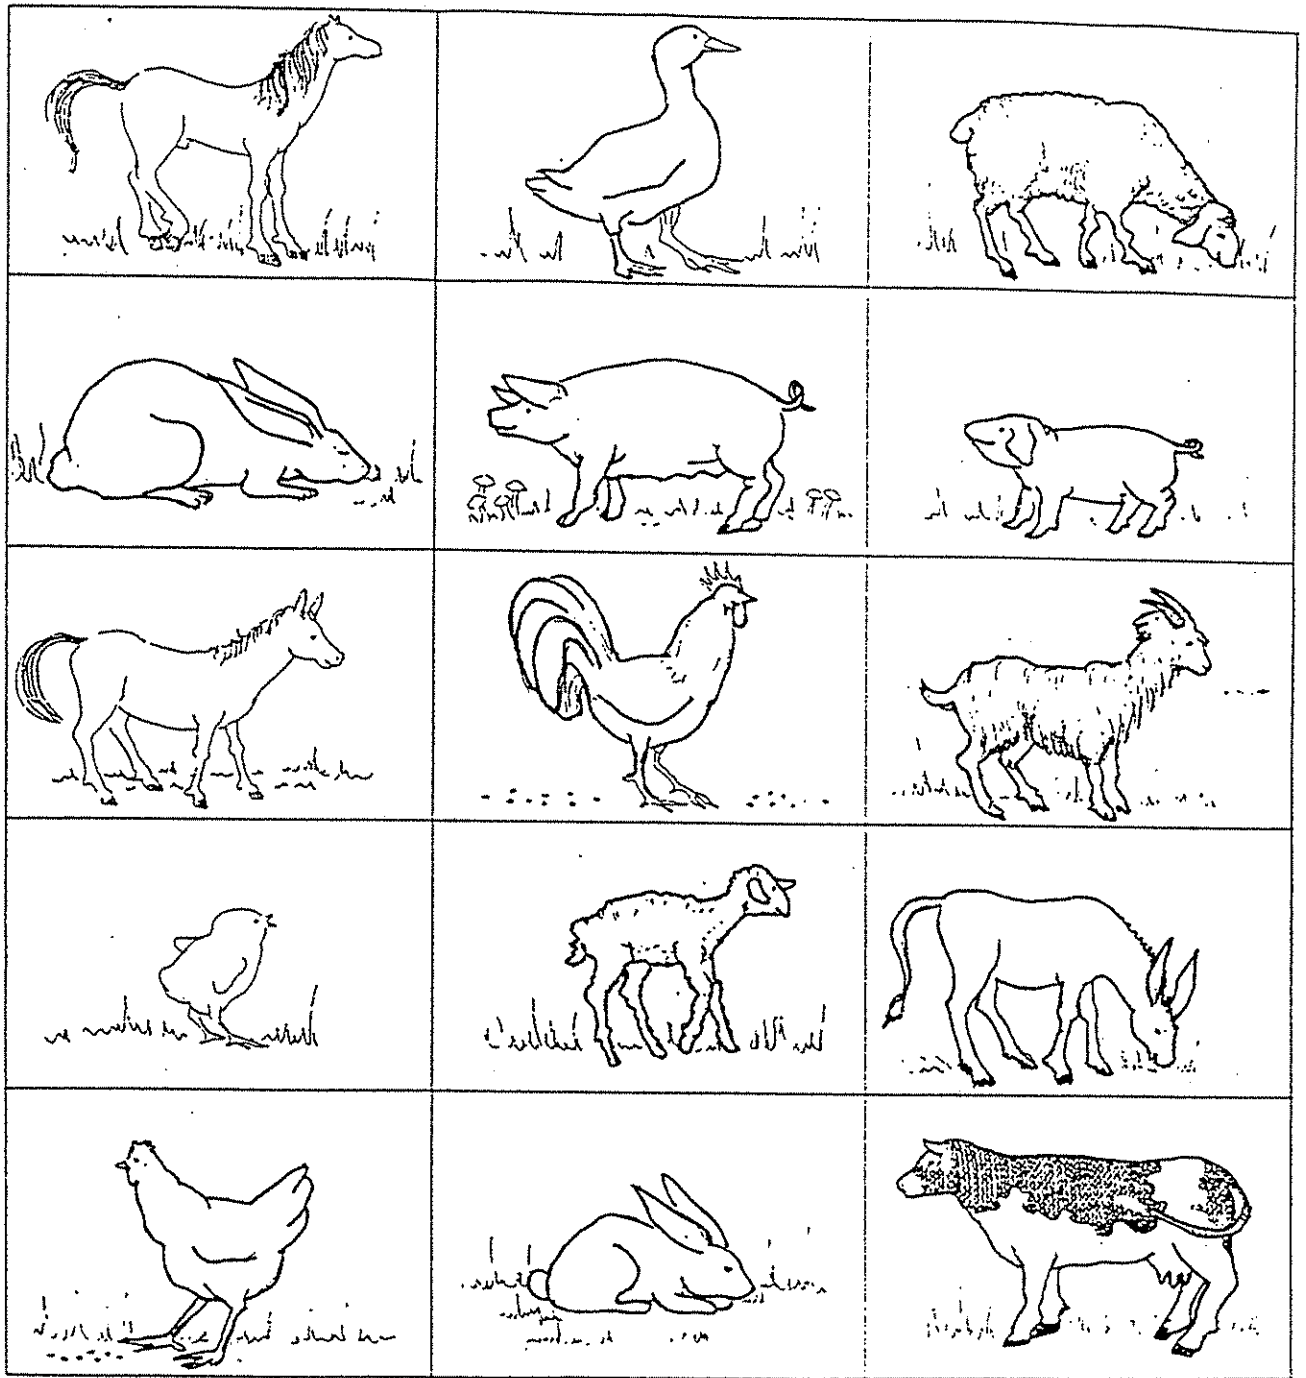

Munzir-les a mà o amb màquines

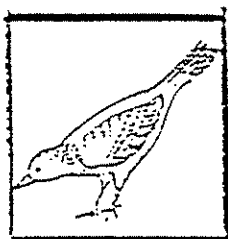

Treure els envasos de llet

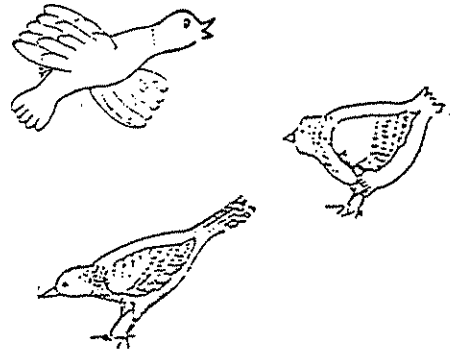

garrí	gallina	mula	truja	poll
conill	cabrit	llodrigó	gall	ase
ànec	cabra	vaca	ovella	cavall

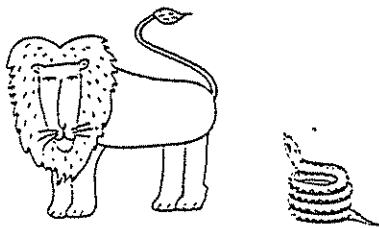

Els .....tenen ales  
i poden volar .

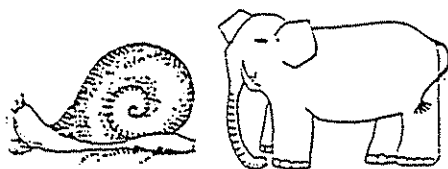

La ..... i el .....  
s'arrosseguen pel terra .
